

InnerLok® LokJaw Hitch Lock

Installation • Safety • Warranty

Thank you for purchasing an **InnerLok® LokJaw Hitch Lock**. Please read these instructions completely before installing or using this product. Retain this insert for future reference.

Package Contents

- Hitch Lock
- Two (2) Keys
- Dust Cover
- Instruction & Warranty Card

Before First Use

- Inspect the lock for shipping damage or defects.
 - Verify both supplied keys operate the lock.
 - Record your Key Identification Number and keep it in a safe location.
- Do not use the product if any component is bent, cracked, excessively worn, or damaged.

Installation

1. Insert the lock through the receiver and hitch-mounted accessory.
2. Push the locking mechanism completely into the locked position.
3. Remove the key.

IMPORTANT: The key may be removed before the lock is fully engaged. After removing the key, firmly pull on the lock body to verify complete engagement before towing or leaving your vehicle unattended.

Before Every Trip

- Verify complete engagement.
- Perform a firm pull test.
- Inspect for damage, corrosion, bending, or excessive wear.
- Ensure the correct size lock is being used.

Receiver Compatibility

Designed only for compatible **Class III and Class IV** hitch receivers. Use only the lock designed for your receiver size (2-inch or 2½-inch).

Maintenance

Lubricate the keyway at least once per year using a quality lock lubricant or light oil. Clean after exposure to road salt, dirt, mud, or moisture. Keep the dust cover closed when not in use.

Safety Warnings

WARNING: Failure to follow these instructions may result in property damage, serious injury, or death.

- Inspect before every use.
- Always verify complete engagement before towing.
- Never modify, weld, drill, machine, or alter the product.
- Never exceed the towing ratings established by the vehicle, hitch, trailer, or accessory manufacturer.
- Never use this product as a lifting device, recovery point, tie-down anchor, or for any purpose other than securing a compatible hitch-mounted accessory.

Product Limitations

This lock is intended to help deter unauthorized removal of compatible hitch-mounted accessories. No lock can guarantee prevention of theft, tampering, or vandalism.
